

# Blow Out Sale!

# UPHOLSTERY PRO

## Limited Quantity

*Upholstery cleaning experts are already calling the Upholstery Pro the best tool ever!*

Now you can effectively clean a wide range of fabrics with confidence. Featuring a state of the art glide design that provides great soil removal and super dry fabrics, the Upholstery Pro will make you a pro right away. Precision flow control allows for easy, on-the-fly adjustments while the continuous flow option relieves the strain of holding the valve. Dual vacuum slots allow you to extract in both directions for the best clean possible. Unlike jetted tools, the Upholstery Pro does not produce overspray. The cleaning head is correctly angled and carefully balanced to reduce wrist, arm and back fatigue, making the Upholstery Pro far easier to use than other tools on the market.
