

HOSS 700

ROTARY CLEANING TOOL

Cleans carpets faster and leaves them drier

The HOSS 700 cleaning tool completes 700 cleaning passes per minute, loosening and lifting the toughest soils.

FULL 15" COVERAGE

FLOATING HEAD DESIGN

SIMPLE CLEANOUT

FEATURES

- » Full 15-inch coverage cleans faster and leaves carpets drier
- » Deeper penetration. Staggered injector system puts hot solution deep into fibers
- » Better cleaning. Dual-level extraction slots agitate more thoroughly and maintain better airflow
- » Faster drying. Five extraction passes on each injection band for thorough cleaning and extraction
- » Solution delivery system designed for easy service
- » **Full 2 in. vacuum flow** with clear viewing tube – easily monitor cleaning progress.
- » **Specially-designed floating extraction heads** conform to rough surfaces for superior performance – even on commercial glue-down carpet
- » Vacuum head designed for cleaning close to baseboards, under furniture and toekicks
- » Easily adjustable handle height
- » Industrial design gearbox. Rugged sealed bearings ensure long life.

- CLEANING HEAD DIAMETER— 15 in. — largest in the industry
