

# REGARD ECO-MELT

**eco-friendly** ice melter

The **Natural Choice** for your ice melting needs.

Regard Eco-Melt is the alternative to regular ice melting products. Regard provides performance while minimizing environmental impact on the surrounding vegetation.

Our unique organic additive coats every particle. It allows Regard All Natural Ice Melter to melt snow and ice faster and at lower temperatures for increased safety to pedestrians. Melts ice down to -11F (-22C).

This additive also acts as a corrosion inhibitor to reduce metal fatigue.
