

LCK-50 Microfibre Washing Machine

NEW COMPACT WASHER

Item code: 2000700

Wash on-site 6 lbs. of microfibre, bonnets, rags or mops in 5 minutes*

The LCK-50 Portable Washer is a compact washer that is very convenient and lightweight. It is only 25.5 pounds and can be stored in areas with space constraints such as janitor rooms.

There is no installation required for the LCK-50. You can wash up to six pounds of microfiber cloths, bonnets, rags or mops in about five minutes. The cabinet is rustproof polypropylene and it has a wide wash tub so it is easy to load.

Take advantage of being able to wash on site with the LCK-50. It has an automatic shut-off timer and a reversible action impeller for perfect washing every time. For a completely portable and compact washer, try the LCK-50 portable washer today!
