

---

# LOW & BEHOLD™

---

## CLASSIFICATION:

- Floor Cleaner/Restorer

---

## SCOPE:

- **Low & Behold** with advance polymer technology has been specially formulated to enhance the appearance of all cross-link floor finishes, especially the durable high gloss finish of GemStar Finishes.
- **Low & Behold** solvents and detergents provide deep cleaning action while selected polymers and waxes restore the gloss of the floor.
- **Low & Behold** ideal for facilities where slip resistance is mandated and harsh, annoying odors could cause discomfort.

---

## USAGE:

### Directions for use:

1. Dust mop and damp mop the floor prior to any spray buffing procedures.
2. Place a floor machine with a red pad in position. Using a trigger sprayer, spray a small amount of **Low & Behold** on the floor ahead of the machine. Buff the cleaning solution across the floor. Work in areas of 2m x 2m. Use a side to side motion. Avoid bumping walls and furniture. Continue buffing until surface is completely dry and shiny. Allow a slight overlapping on each pass.
3. Do not allow floor pads to load up. Turn them over or change them frequently.
4. Pick up any dust resulting from buffing operation. Use a clean, oil-free dust mop.

---

## CHEMICAL PROPERTIES:

- Compositional Information 

Mineral Spirits	8052-41-3
Polyacrylic Emulsion	Mixture
Tall Oil Fatty Acid	61790-12-3
Triethanolamine	102-71-6
Water	7732-18-5
- pH 7.0 – 9.0
- Solubility in Water Complete
- Specific Gravity .911 (77° F / 25° C)
- Flash Point 150°F / 66° C (closed cup)
- Initial Boiling Point > 212°F / 100° C

---

## PHYSICAL PROPERTIES:

- Appearance White
- Fragrance Solvent/Lemon
- State Liquid

---

## ENVIRONMENT & SAFETY:

- Hazard Rating Health - 1 Fire - 2 Reactivity - 0
- **KEEP OUT OF REACH OF CHILDREN.**
- Eye and skin irritant. Contains a potential skin sensitizer (triethanolamine).
- Keep away from sources of ignition. No smoking.
- Consult state and local authorities for restrictions on disposal of chemical waste.

---

**STABILITY & STORAGE:**

- Stable under normal conditions of handling.
- Avoid extreme high temperatures and ignition sources.
- Do not mix with anything but water.
- Keep from freezing.

---

**FIRST AID:**

- **Eyes** - Flush with cool running water. Remove contact lenses, if applicable, and continue flushing.
- **Skin** - Flush skin with plenty of cool running water. Wash thoroughly with soap and water.
- **If swallowed** - Rinse mouth. DO NOT induce vomiting. Rinse mouth with water then drink one or two glasses of water. Seek medical attention immediately. Never give anything by mouth if victim is unconscious, is rapidly losing consciousness or is convulsing.
- **If inhaled** - If symptoms develop move victim to fresh air. If symptoms persist, seek medical attention.

**IF SYMPTOMS PERSIST, SEEK MEDICAL ATTENTION IMMEDIATELY.**
